The Panel Safety Mechanism with unique sliding clamp device ensures doors will not leave their tracks.

Gliding Gently

Introducing the end of slamming doors.

The 3S Smart Shut System™ protects peace of mind, and your loved ones, from slamming doors. Its German engineering syncs up doors for uniform closure. This slam-proof damper eases doors to a stop for a softer sound and safer home, so you're free to light a candle or two, put on your favorite album and relax in your personal oasis.
