3S
SMART SHUT SYSTEM

The Ultimate In Safety

The Panel Safety Mechanism with unique sliding clamp device ensures doors will not leave their tracks.

Gliding Gently

Introducing the end of slamming doors.

The 3S Smart Shut System™ protects peace of mind, and your loved ones, from slamming doors. Its German engineering syncs up doors for uniform closure. This slam-proof damper eases doors to a stop for a softer sound and safer home, so you're free to light a candle or two, put on your favorite album and relax in your personal oasis.

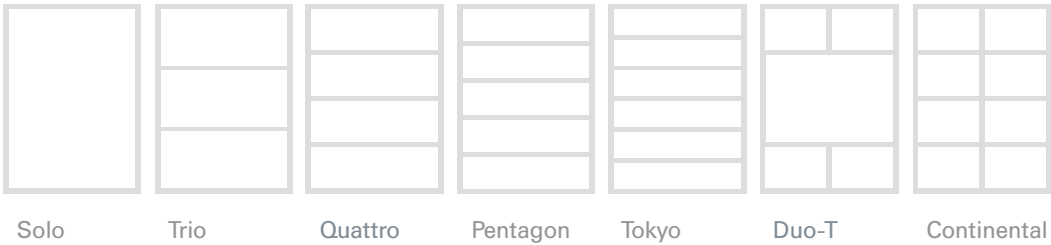

Safe And Sound

Wall slide door system shown in 3" silver frame with frosted glass and pentagon decorative design.

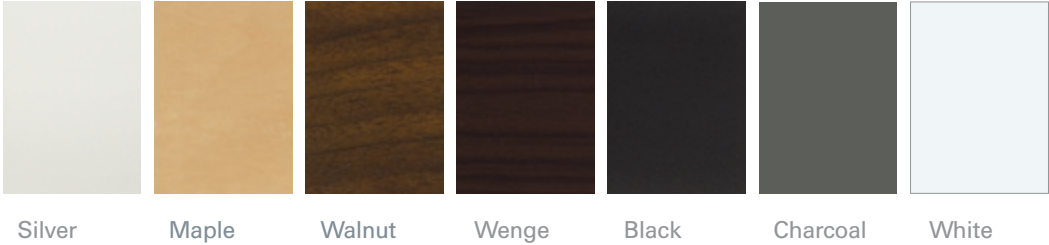

How It Works

1 Select a design.

2 Pick a frame finish.

3 Choose the glass* opacity that's right for you.

*Tempered glass may have a subtle greenish tint in certain lighting conditions.
